

Holland College's Environmental Applied Science and Technology Diploma

ADMISSION

REQUIREMENTS

Students must meet the basic admission requirements for the degree program to which they are applying. Students who successfully complete the Holland College's Environmental Applied Science and Technology Diploma program with an overall minimum 70% average may be admitted directly into the Bachelor of Science program at Saint Mary's and may be eligible for transfer credits, as outlined in the transfer credit table. More information can be found online at smu.ca/futurestudents.

CREDIT

ASSESSMENT

Once accepted to the university, your previous post-secondary transcripts will be assessed by the Transfer Student Office for transfer credit. Assessment results are sent via email once completed.

HOW TO

APPLY

1. Submit an online application at smu.ca/apply.
2. Submit your Holland College official transcript. It can be sent directly from your campus by email at admission.status@smu.ca or by mail in a sealed envelope to **Saint Mary's University Admissions, 923 Robie Street, Halifax, NS B3H 3C3**

NEXT

STEPS

Your transfer credit assessment email will also contain contact information for the Science Advising Centre. Academic Advisors are available to assist you with planning and selecting your courses. Once you pay your Admission Confirmation Deposit, you will have access to use our degree evaluation tool, **Degree Works**. This tool shows you how your transfer credits are being applied to your program and what courses you have left to complete.

Completion of the Bachelor of Science program at Saint Mary's may take approximately two years, depending on when courses are offered. Students need to complete at least 50% of their courses and 50% of their major at Saint Mary's University.
